# Senior Class History

One September morning in 1944, our class of "57" started our first year of school in Hopewell-Loudon. Through the grade school years, our class number increased and decreased.

In the years of 1951 and 1952, we elected our cheerleaders for the junior high basketball team.

In September of 1953, we entered our freshman year. We chose our class colors, green and white; our flower, white orchid; and our motto, "Today we launch; where shall we anchor?"

The class officers for that year were: President, David Dundore; Vice-President, Tom Eberly; Secretary, Lorene King; Treasurer, Holly Creeger; Reporter, Susan Bushong.

The most joyful part of our freshman year was our first prom.

In 1954, the following class officers were chosen: President, David Dundore; Vice-President, Darylene Wertz; Secretary, Holly Creeger; Treasurer, Tom Eberly; Reporter, Holly Creeger. In the month of May we had our Freshman-Sophomore Prom which turned out to be a big success.

In 1955, we entered our Junior year with high hopes. In that year, we were in many activities. Our class play, "Bolts and Nuts," was a very big success. We also put out the Scarlet Banner.

We held our Junior Prom on May 13, at Hopewell-Loudon. Our class officers were: President, Duane Warns; Vice-President, Tom Eberly; Secretary, David Dundore; Treasurer, Joe Vera; Reporter, Darylene Wertz.

As Seniors, we have a great responsibility to our community and also Hopewell-Loudon. We are very proud to be graduated from such a fine school. The biggest events of our Senior year were the Junior-Senior Prom, May 4, and our trip to Washington and New York. Our class officers for our Senior year were: President, Tom Eberly; Vice-President, Duane Warns; Treasurer, Susan Bushong; Secretary, Joe Vera; Reporter, Darylene Wertz.

We, the Seniors of 1957, have many opportunities ahead for the future. We hope that the years we spent at Hopewell-Loudon School have taught us how to be good citizens for our coming years.

# The Class Of 1957 Prophecy

On our tour around the World in 1970 we ran into Tom Eberly and his wife (Willetta) and their four children in Africa where Tom is a general in the Army. And, to our amazement out from the jungle stepped Jack Pachlhofer who is a big game hunter in the jungles of Africa.

We then had to depart for England where we ran into Darylene Wertz who is studying for her masters' degree at Cambridge and who is planning to marry the music professor, Robert Pachlhofer, next week.

We then boarded a plane to Russia where Joe Vera, our ambassador, was hard at work planning for the final peace treaty.

It was time for our departure home and as we passed through Hawaii we saw Margo Karcher teaching the American G.I.'s the Hawaiian war chant. As we arrived in California we looked below and who should we see but David Palmer taking his ducks for a swim in the Pacific Ocean. Then, to our surprise we were back in the United States.

As we walked through Hollywood we saw flashing signs on the Paramont announcing Jim Burns's new movie, "The Technique of Farming with Girls," under the production of Hollywood's astonishing new producer, Marvin Amlin, our old classmate. Then we thought we would take a short trip to Texas to visit the Tera Bon Ranch owned and operated by Bonnie Schroeder and Theresa Schreiner.

It was time to leave for home but we had some business to do in Chicago and thus had time to visit Duane Warns's "Never-Miss Professional Basketball Team" starring Charles Kiser; and guess who their water boy was! "Mark Walter."

Now we hurried home and as we were arriving in Tiffin, a big truck cut us off the road. Looking around we saw that it was Rex Hall and his milk truck with his new assistant Larry Earl.

We were quite tired and glad to return home, thirsty for a good drink of water; but when we turned on the water nothing came out so we called our very efficient plumber, Jim Sauber. He told us that Wayne Griffin has his own farm of 520 acres. He also said that David Dundore has increased his family by one which makes number six.

That night as we read the newspaper, catching up on all the news, we discovered that Judy Park had invented the new hair style, "slim and trim." As we read further we saw where Susan Bushong had discovered how to make a jiffy donut.

Since you know what all our classmates are doing we thought we might as well reveal our secret which has been concealed since our Senior year. We have been engaged since then and propose to be married; that is, if we can give up our Cadillacs and minks.

Coach Mr. Groman

Led by our four returning lettermen we fought to the County League Championship. After Thompson dampened our hopes we bounced back to win our next seven league games.

This year marked the last time four men will play for the Scarlet and Gray. Duane Warns, a three year letterman, was our leading scorer and also did a great job of rebounding and feeding. Our two little men, Jim Burns and Rex Hall, played superb defensive ball and gave us many scores when we needed them. Our other senior, Jack Pachlhofer, played the role of relieving our two pivot men and added much to the team.

In my opinion this squad was a great team. They played many big ball games and always came out on top. Duane Warns should go down as one of the finest players this school has produced and that I will ever have the privilege of working with. He was the scorer but he was also the spark to which the other players reacted.

This squad won respect wherever they played for their ability, desire, and sportsmanship. They'll make fine young men if they continue to live their lives the way they played basketball: Fairly, and with all the strength they have.

Coach Harry Groman

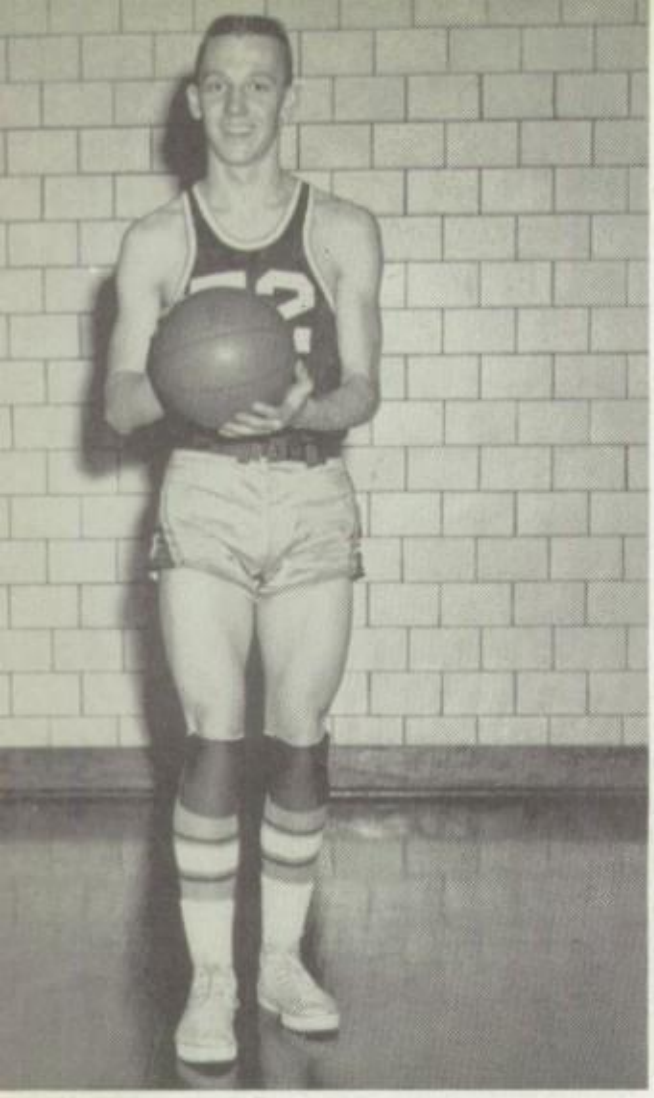
# Varsity Cheerleaders

FIRST ROW: Carmen Vera.
SECOND ROW: Lorene King, Darlene Wertz.
TOP ROW: Ruthann Thallman, Judy Frankart.

# Reserve Cheerleaders

Karen Coppus, Sandy Anderson, Barbara King, Shirley Wertz.

The cheerleaders did a fine job this year of adding spirit and life to our team. These girls worked hard to do an excellent job of leading the best cheering section in the county. They not only added much to the spirit of the school, but they also showed good sportsmanship and fair play in every way.



DUANE WARNS
Forward
6-1

Duane was awarded the Jack Hoffman Memorial Sportsmanship Trophy the past year.

Duane was the backbone of the team. He was our leading scorer and one of the top three in rebounds. He possessed a great touch on his shots and tremendous reflexes. Replacing Duane next year will be a very tough job.

REX HALL
Guard
5-8

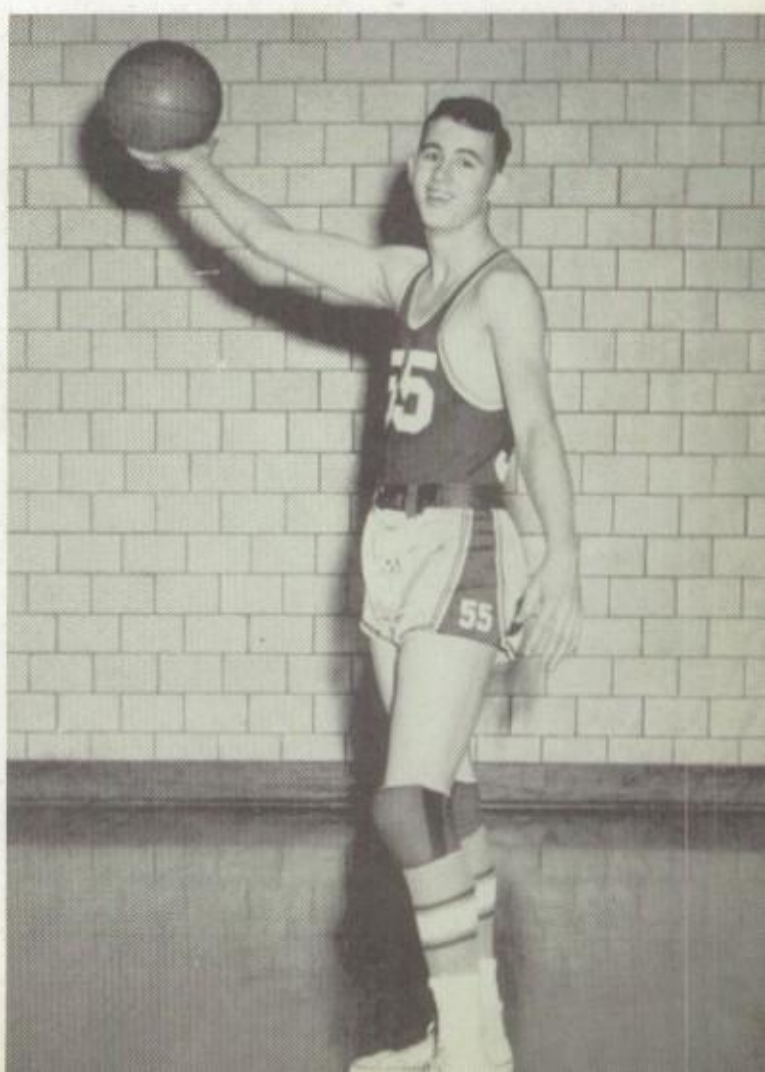
Rex was the center of our defense. was quick and aggressive. He veloped into a fine shooter and they uldn't let him get a shot. It will e a good man to fill Rex's shoes xt year.

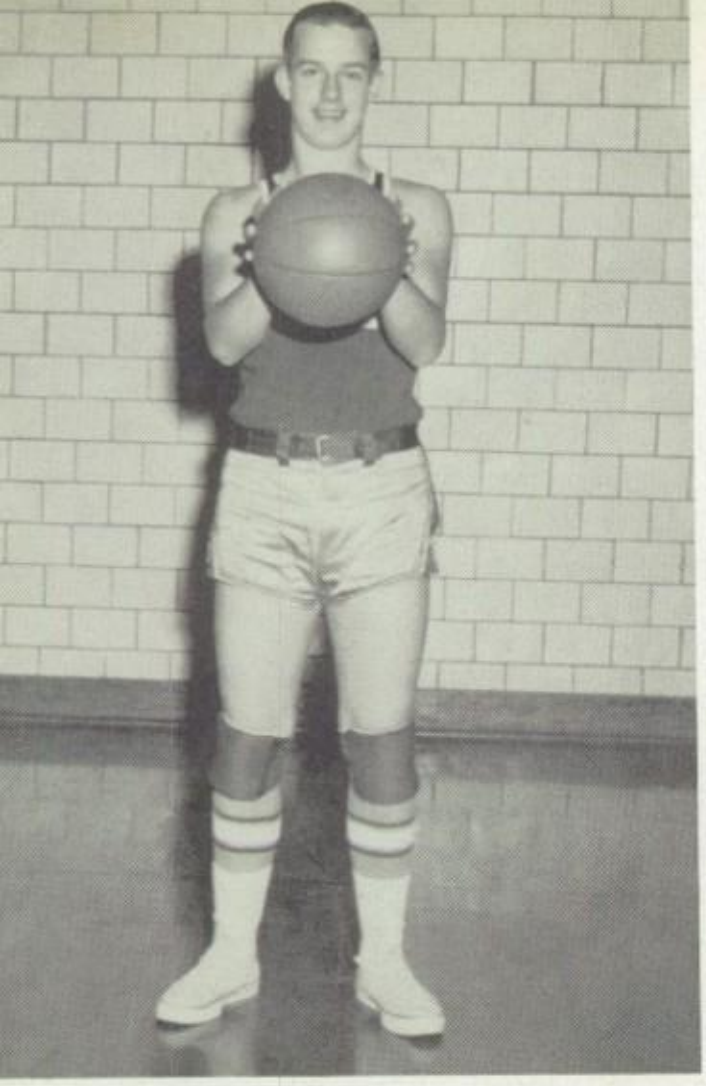
JIM BURNS
Guard
5-9

Jim was one of this year's sparkplugs. He was a great defensive player and feeder. He seemed to play his best ball under pressure. Next year's team will really miss Jim.

JACK PACHLHOFER
Forward
6-0

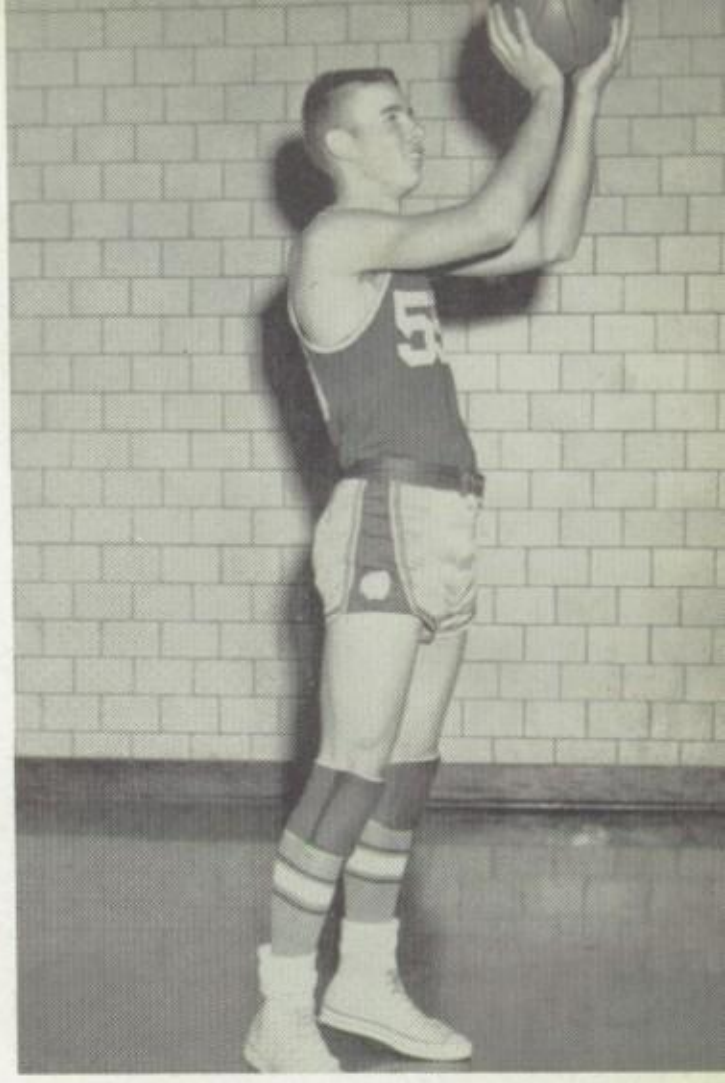
Jack was a valuable part of our team. He was an able substitute and filled in very well in many of our games. Besides that Jack added that little "extra something" to this year's team. Who will ever take his place!





BOB WALTER
Forward
6-0

Bob is developing into a fine ball player. His rebounding and drive make him a valuable asset to the team. Bob should be one of next year's leaders.



JIM SHILEY
Guard
5-10

Jim has tremendous speed. He is aggressive, dependable and a good shot. He is developing into a fine ball player. He should be one of next year's leaders.

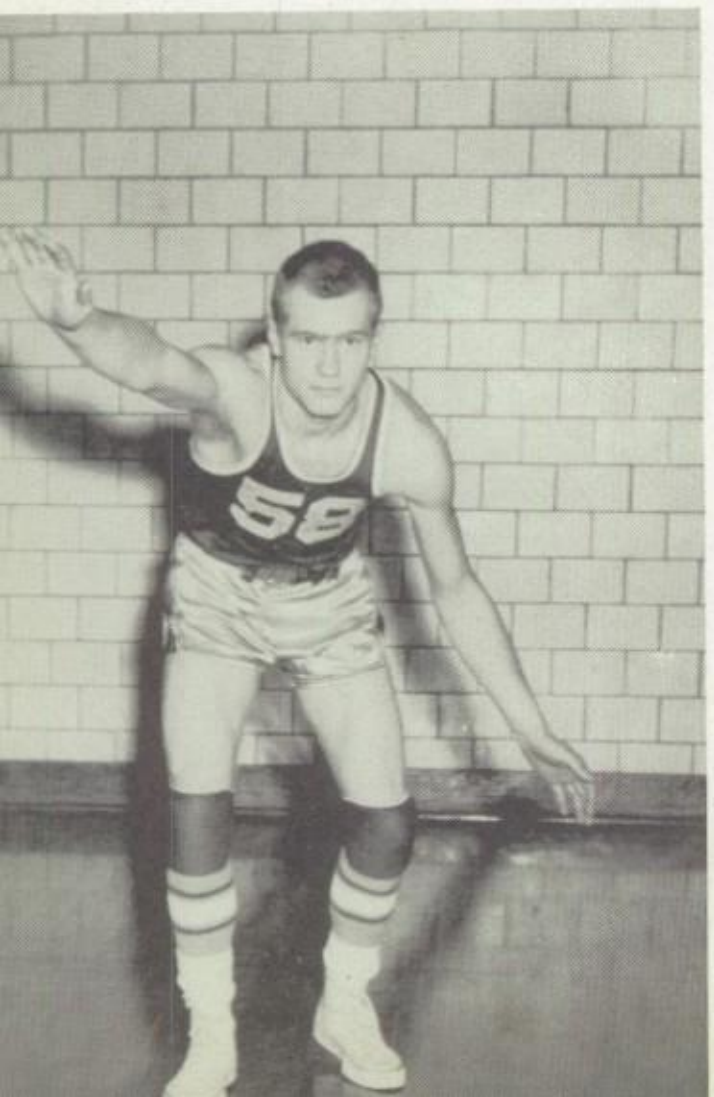
DAVID SHANE
Center
6-2

David improved a great deal this year. He has good spring and great hands for tipping and shooting. If he continues to work and improve he should be one of the best in the league for the next two years.



SAM SCHUBERT
Guard
5-11

Sam possesses great potential because of his agility, quickness and quick thinking. He was hindered by an injury this year, but he is expected to develop into a fine ball player and help win many ball games in the next two years.

# Tournament Team

FIRST ROW: Dwight King, Bernard Hohman, John Boes. SECOND ROW: Jim Burns, Jim Shiley, Ken Karcher, Larry McQuistion, Bob Walter, David Shane, Mr. Groman, Duane Warns, Jack Pachlhofer, Sam Schubert, Bob Gosche, Gerry Omlor, Rex Hall.

The future of H-L looks bright. This year's reserve squad was the first to go undefeated with a record of 19-0. The squad has good average height, good offensive and defensive punch and a great desire to improve and work for the future.

If they keep this idea and follow the example set by this years varsity, they should go down in Hopewell-Loudon history as one of its finest basketball squads.

This year's team showed signs of greatness at times but luck ran out on them on other occasions.

The team possessed one of the best hitting attacks in the league. In the tournament they lost 10-9 to Old Fort where a few mental errors cost them valuable runs in the late innings.

The team worked hard and showed tremendous improvement over the year.

We'll miss this year's seniors: Warns, Burns, Hall, Earl, and Pachlhofer.
